The New Jersey Junior B Rockets

(Defending 1980 National Champs)

(Defending 1980 National Champs)

1980 - 1981 NEW JERSEY ROCKETS JUNIOR "B"

The 1980-81 rendition of the New Jersey Rockets has been extremely successful, but that has become an almost routine matter despite the attempts of rival teams to knock the club off its lofty perch.

Those players who carry on the Rockets tradition this season have a tremendously impressive heritage as a backdrop. The 1977-78 Rockets were National Junior Champions; the 1978-79 Rockets were National Runners-up; the 1979-80 Rockets were National Junior Champions.

Living up to the Rockets name isn't an easy matter but the current squad has continued the tradition, posting a 36-5-4 record during the regular season. Coached by Paul Kramer, the Rockets were runaway winners of the New Jersey Conference of the Metropolitan Junior Hockey Association.

Perhaps, one reason for the success of the 1980-81 Rockets has been the roster's link with past success. Junior hockey teams are noted for tremendous turnover in personnel. However, this year's squad has seven players returning from the 1980 National Championship squad. It is that heritage and desire for continued success that has marked the play of the current team.

Heading the list of defensive players are returning champions David Sands and Bill Leppla. Now in their third year with the Juniors, Sands and Leppla were also members of the runner-up team in the 1979 tournament.

Joining the defensive corps this year are Ari Cohen, Frank Steffe, Doug Kent and Mark Colwell. Cohen holds the distinction of coming the longest distance to become a Rocket as he calls Berkeley, California home.

Behind the defensive group, in goal, are Robert Kramer and Jim Mair, providing the consistent netminding that championship teams need en route to defending a title.

Five forwards return from last year's champions: Kevin Foster, John Beatrice, Ken Gesner, Ryan Boyd and Marty Purtell.

Boyd, signed as a free agent by the New York Rangers, was originally assigned to the Richmond Rifles this season. However, he opted to finish his junior career in pursuit of another national title. Purtell is fast becoming a legend in junior hockey circles. A two-time national champion (1978 and 1980), he is seeking to become the first AHAUS junior in history to skate on three championship teams in that age bracket.

Both Foster and Gesner are back for another crack at the title and both have also been instrumental members of Trinity-Pauling's team again this year. The two will continue their hockey careers in 1981-82 as Foster attends the University of Vermont and Gesner matriculates at Wisconsin.

The hard-working and high-scoring forward unit includes, in addition to the returnees, Peter Herms, Bobby Johnson, Tom Frizalone, David Fite, Blake O'Neill, Anthony Mellilo and Anthony Del Gaizo.

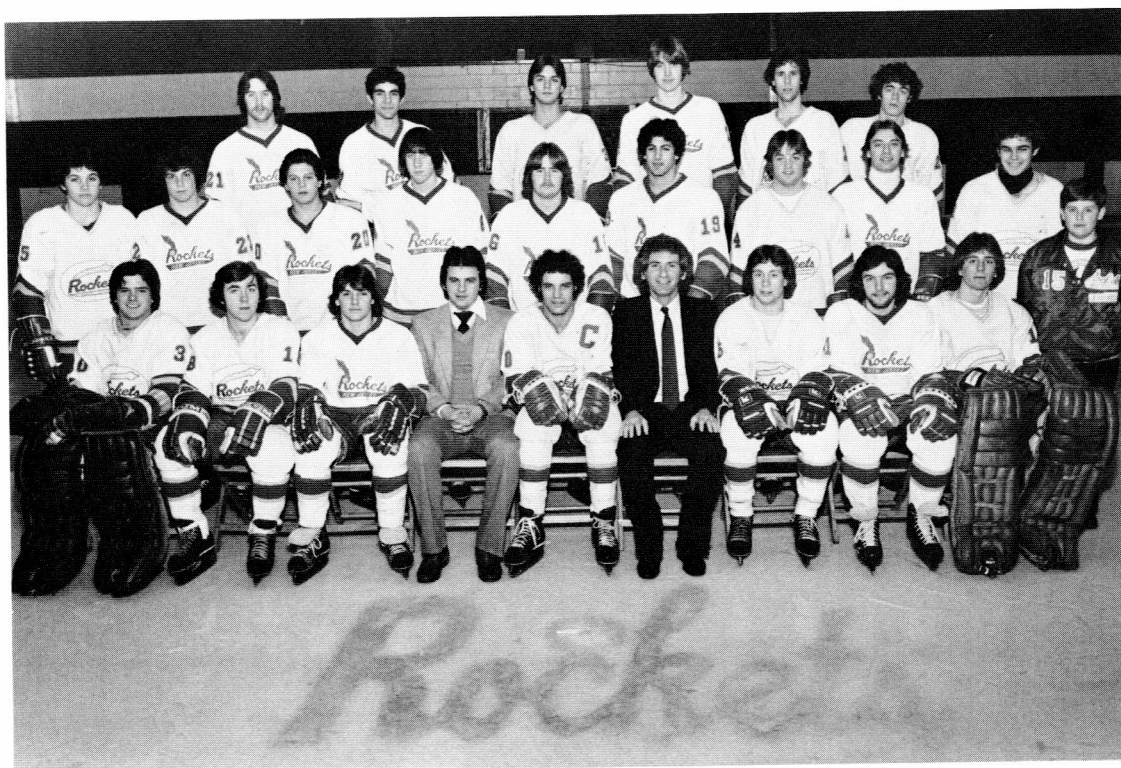

Assisting Paul Kramer as coach this season has been Mike Van Ness, a graduate of the 1980 championship team.

While tremendously successful on ice, the Rockets are equally successful in helping to place team members in Division One and Two NCAA schools where they are able to continue their academic and athletic careers.

From the 1980 team, Brian Mullen and Chris Seebode are at Wisconsin, Mullen was a member of the U.S. Junior National team for the second straight year. Matt Winnicki is at Vermont, while Gary Kramer attends Hamilton, Dave Spannaus is at Elmira and Larry Vitale is at Amherst.

The list of colleges accepting past Rockets includes Boston University, Rochester Institute of Technology, Brown, Holy Cross, Connecticut, Canton, Merrimac, Plattsburgh and New Haven.

The history of the New Jersey Rockets is a continually successful one. Fortunately, to the benefit of the players, the story goes on and the chapters include success on the ice both at home and in college and success in the colleges and universities of their choice.

1980 - 1981 NEW JERSEY ROCKETS MIDGET AA

The Rockets Midget AA team will represent the Atlanta District in the Mid-America Regional Tournament to be held in Cleveland, Ohio. They earned this right by winning the Midget Division of the Atlanta Hockey League with a 14-1-1 record and with a clean sweep of the three games in the District Tournament. The team's season record was a very satisfying 35-6-6.

A review of the Midget season reveals some very interesting occurrences. The team did not lose a game on its own ice. There was not one single game during the season that Coach Tom Horvath had his entire A.H.A.U.S. rostered players available to him. There were either injuries or school commitments which created this situation. However, no matter who was missing, the Midgets always seem to play together as a disciplined team.

The highlights of the season to date were winning the District Tournament, a long weekend trip to Culver Academy in Indiana, and the prestigious Ottawa Tournament in Ottawa, Canada, during Christmas week. At the Ottawa Tournament the team showed its competitive spirit and ability by winning two games and losing one. The loss was to the winner of the Tournament in a hard-played game by a 3-1 score.

In addition to their Rockets responsibilities, fifteen players were important members of twelve high school and prep school teams. The schools are: Paramus Catholic, St. Josephs, Bergen Catholic, Montclair, Livingston, Montclair-Kimberly, Suffern, Power Memorial, Fordham Prep, Taft, Williston-Northampton and Pomfret. Although the majority of players reside in New Jersey, geographically the club was also represented by skaters from Manhattan, New City, Monsey, Yonkers, Island Park, Mineola, Suffern, and as far away as Farmingdale, New York and Darby, Pennsylvania.

Many factors contributed to the successful season. Three stand out. The team was blessed with size, ability, maturity and dedication. Their individual talents were blended together by the excellent coaching of Tom Horvath and assistant coach Mike VanNess. Financial aid was provided. The organization, players and parents wish to acknowledge this substantial financial contribution from Cummins Metropower, Inc. and sincerely thank Irv French, its President.

NEW JERSEY ROCKETS BANTAM "AA" 1980-1981

The merging of the returning players from last years "AA" Bantam team and the highly successful Bantam "B" team seemed to have all of the elements for a winning team. Coach Danny May selected eighteen players after ten days of what the players described as a "physically demanding" tryout.

The Bantam "AA"s opened the season against the Nassau Arrows at Ice World on October 5th. After the first several games, it became evident that defense and goaltending were going to be the main elements towards having a winning season.

In early December, the Bantam "AA"s were invited to play in the Silver Stick Tournament being held in Rome, N.Y. The team played well in Rome, defeating Ithaca, N.Y. 2-0, losing to the host team Rome 4-2, and then losing to a fine Troy, N.Y. team 2-1 in an overtime game. Troy then went on to win the tournament. Coach Dan May was very satisfied with the boys performance in Rome.

During the Christmas Holidays, the team played in the Philadelphia International Tournament which was held in Haverford, Pa. After four straight victories, over the N.Y. Stars, Bricktown, Fairfax, Va. and Haverford, Pa., the Rockets then faced the Philadelphia Flyers in the finals. At that point both the Rockets and the Flyers were undefeated and untied in the tournament. After a period and half of play, the score was tied at 2-2. The last half of the game was totally dominated by the Rockets, with the final score being Rockets 6, Flyers 2. At the awards ceremony, Tim Purtell was voted the most valuable goalie, and Greg Ferretti was voted most valuable defenseman.

The months of January and February saw the Bantam "AA"s winning eight games, losing three and tying one. On March 1st, the team defeated the Washington Metros, and as a result finished league play with a record of 15 wins, 0 losses and 1 tie, to win the Atlantic Hockey League.

On to the Districts in March and followed by the Regionals and the Nationals.

THE NEW JERSEY NORTH STARS

The New Jersey North Stars is a not-for-profit youth hockey club for skaters from ages 6 through 19. The club fields teams in six age classifications:

Mite (ages 6 to 8), Squirt (ages 9 to 10)
Pee Wee (ages 11 to 12), Bantam (ages 13 to 14)
Midget (ages 15 to 16), and Juniors (ages 17 to 18)

Nearly 200 boys are skating with the North Stars for the 1980-81 season. The club is a member of the following youth hockey organizations:

Amateur Hockey Association of the United States (AHAUS)
Atlantic Hockey League
New Jersey Youth Hockey League

The North Stars are managed by a volunteer Board of Directors. The organization has no paid employees and generates its entire income from tuition and fund-raising efforts. Home games and practices are held at Ice World, Totowa, New Jersey, and Mennen Arena, Morris Township, New Jersey

Highlights in North Stars History

Although today the North Stars provide a large comprehensive program, this hasn't always been the case. The following review of club highlights will illustrate this:

- 1971 . . . The North Stars Club was founded in New Providence, New Jersey. The club was known as the New Providence North Stars and fielded Pee Wee and Bantam Teams.
- 1973 . . . The North Stars joined the Union County Hockey League and expanded to three teams.
- 1975 . . . The North Stars joined the New Jersey Youth Hockey League, changed its name to the New Jersey North Stars and moved its base of operations to Morris County.
- 1978 . . . The first "A" level teams were formed and the Squirt "B" team captured the championship of the NJHL.
- 1979 . . . The North Stars expanded to 9 teams and fielded "A" and "B" teams at the Squirt, Pee Wee, Bantam, and Midget Levels.
- 1980 . . . A Junior team was added to bring the number of teams under the North Stars banner to 10.

In addition, the North Stars entered into a working agreement with the New Jersey Rockets, adding three more highly competitive teams to the organization. The Rockets' Junior B team is defending National Champion.

Finally, the Mite program has been greatly expanded and a clinic for beginning skaters developed. These youngsters represent the future of hockey in this area.

We think our story of growth is an exciting one and that our program of developing boys through hockey is a good one.

You're A Big Hitter . . .

But are you in the right ballpark?

You're thinking of making a career change? Will you have the right back up? Can management be a real help to you? Will you get along with the peer group? Did you scout the new firm to make sure you're playing in the right league?

A big hitter is scouted **for**. We do the scouting. We make sure you're in the right ballpark.

SRM CAN HELP YOU HELP YOURSELF

Fill in and mail the coupon, even if you're not thinking of changing firms right now. A confidential, no-obligation chat will follow where you'll learn about opportunities in your own city — or around the country. Call any branch of Securities Resource Management, or use the coupon.
