## Directed by Jack Leclair, NHL Pro

Former speed star of the Montreal Canadiens Hockey Team, winners of the Stanley cup three years in a row, Mr. Leclair has 25 years of experience as a player and instructor. As manager of the Florham Park Ice Palace, he organized the Cobra Team. Two years ago he was managing coach for the Jersey Astros which became district and regional champions and finalists in the Natl. Jr. Hockey league.

Many of these players are now part of the Cobra team.

# PENALTY SIGNS

**DELAYED CALLING OF PENALTY**  
 Referee repeatedly points with free hand (without whistle) to player to be penalized until play is stopped.

**SLOW WHISTLE**  
 Either arm, in which whistle is held, extended above head. If play returns to Neutral Zone without stoppage, arm is drawn down the instant the puck crosses the line.

**CHARGING**  
 Rotating clenched fists around one another in front of chest.

**ELBOWING**  
 Tapping either elbow with the opposite hand.

**"WASH-OUT"**

Both arms swung laterally across the body with palms down:  
 1. When used by the Referee it means goal disallowed.  
 2. When used by Linesman it means there is no icing or no off-side.

**TRIPPING**  
 Extending right leg forward, clear of the ice, and striking it with right hand below the knee.

**HIGH-STICKING**  
 Holding both fists, clenched, one immediately above the other, at the height of the forehead.

**SLASHING**  
 A series of chopping motions with the edge of one hand across the opposite forearm.

**HOOKING**  
 A series of tugging motions with arms, as if pulling something toward the stomach.

**CROSS-CHECKING**  
 A series of forward and backward motions with both fists clenched extending from the chest.

**MISCONDUCT**  
 Placing of both hands on hips several times and pointing to penalized player.

**ICING**  
 Arms folded across the chest.

**INTERFERENCE**  
 Crossed arms stationary in front of chest.

**HOLDING**  
 Clasping either wrist with the other hand well in front of the chest.

# Call your own time-out.

Some of the best moments in any sport take place right where you're sitting. Because where you're sitting can be a great place to cool the action.

Just grab a hold of a sizzling hot dog, spread the mustard thick, and drown your thirst with an ice-cold Pepsi. Nothing makes food taste better and good times last longer than Pepsi-Cola. And Pepsi is just as close to where you're sitting as the refreshment stand.

Go ahead. Right now is a great time to call your own time-out... and call for plenty of great-tasting Pepsi-Cola.

A toast to Angela,  
the hostess  
with the mostest.

To the lady  
who makes it  
all happen  
at the  
Ice Palace

*Michael*
