The Officers and Board of Governors of the Pascack Valley Hockey Club wish to thank our boys and parents for their support this year.

We ask everyone to support and patronize our advertisers and friends who have helped make this Journal possible.

THE PRESIDENT'S MESSAGE

The 1978-79 season was one of success and near success. As in past seasons, some teams have reached the heights of success and some have been on the verge of success.

The Mite program, under excellent coaching, will continue to be the nucleus of our organization. Four members of our Bantam Championship team were original Mites in the Pascack Valley Hockey Club. Support for the Mites is of utmost importance.

The Squirt program started slowly, but under knowledgeable and understanding coaching, advanced to a competitive team in the New Jersey Youth Hockey League. The 1979-80 season promises to be one of absolute success.

The PeeWee program also commenced slowly, but with stalwart goaltending "hung in" to the bitter end. The experience gained this year will prove invaluable in the coming season. Experienced coaching will add promise for a successful 1979-80 season.

The Bantam team was the height of success for the Pascack Valley Hockey Club, winning the New Jersey Youth Hockey League Division "B" title and the playoffs. Entry in M.A.A.H.A. tournament was automatic and as of this writing is considered a top contender to win the Division "B" title.

Experience and coaching has been the key to success in the Bantam program. A solid group moves up from PeeWee to work under a taskmaster coach.

Four Bantam players will move on to greater heights. The young men moving out this year are: Ed Horne, center and high scorer, started with PVHC at age 6. Scott Monaghan, goalie, started defense at age 7, moved to goal at age 8 and is finishing with approximately a 90% save average. John Nawrocki, forward, played his first year Bantam with PVHC after the Roc-Ice program ended and has been outstanding on the Bantam first line. Keith Buongiorne started his skating at a later age and was dominant in the Bantam defense. To these four young men, we wish them success in future years and hope that the experience gained with the Pascack Valley Hockey Club will aid them in their future endeavors.

Next year, we look forward to an excellent coaching staff from Mites through Bantam. Plans have already been made for the 1979-80 season. Meetings of the Board will continue through the summer and suggestions from all parents will be welcomed.

I wish at this time to thank all parents who worked tirelessly to make our program successful. Scorers, manager and schedulers have done an excellent job and I congratulate you on a first-class performance.

The 1979-80 season has been very rewarding to me as an individual and I take much more than I gave. To see our youth strive in each drill and game, to succeed, has returned the highest in dividends.

Finally, I must thank my wife for all the patience and understanding that any person could give.

GOOD LUCK FOR THE 1979-80 SEASON

KEN MONAGHAN

1978-1979 PASCACK VALLEY BANTAM TEAM

This season marked the third consecutive year that a Bill Dimas coached team went undefeated in regular season league play. With 16 wins, 0 losses, 0 ties, the championship Bantam Team sits atop the NJYHL Bantam B Division, masters of all they survey. Three additional victories in the NJYHL Bantam B Division playoffs brought the total to 19 wins in league play.

At the outset there was no question but that the team had the necessary talent, starting with two outstanding goaltenders through rock solid defense, to three fine forward lines. Marry that talent with nonpareil coaching and you have a winner. And Pascack's Bantam Team this year was a winner. With Bill Dimas there's no other way.

It's difficult to cite any one game as the capstone. Yet, the win over Northstars in the NJYHL playoffs was one to remember, a total team effort. The two Cranford games were fine hockey games. Along the way, there were some hard lessons, as in the Little Rangers games, which underscored the importance of skating and overall team play.

The Blades games, on the other hand, were fun games. At times the girls seemed to bedazzle our star struck lads right off the puck. Old Number 29 showed some classy moves as he put on a "Lester Patrick" performance in one of these games. Couldn't stay out of the penalty box though.

At this writing, with the season winding down, a couple of challenges still lie ahead -- the MAAHA District Tournament and Pascack's Invitational Tournament. Win or lose it's been a marvelous year. Championship laurels for the boys, exciting games for the parents and fans, and a rewarding experience for the Coach and Administrators.

1978-1979 Pascack Valley Pee Wee "B"

Our boys fought hard this year, and managed to end the season with several wins and ties to their credit.

One of the highlights of the year was our first victory over the Northstars, with a score of 4-2. The parents were as excited as the boys, who played a super game.

Our coach, Paul Rutigliano, did a terrific job pulling our team together. His successes include creating a feeling of team spirit among the boys. We really appreciate his efforts, as well as those of our "behind the bench fathers".

Both parents and boys enjoyed this hockey season and we're looking forward to another good season next year.

The Squirt program started very slowly this season due to the fact that this division goalies are very scarce. Since our entire team is composed of all first year Squirts the team finished with 12 points (5 wins 9 losses 12 ties) in League play, with a very strong performance from goalie Steve Borg who had a shut-out against Eatontown. The season was very rewarding to all our boys especially John Chia who finished the season with 26 points, a hat trick and one 5 goal game. The defense did contribute a great deal with left defenseman Andor Szabo finishing with 13 points. This was all tied together by right wing Larry Mahurter who had 16 points. A strong performance was given by the following: David Robins, Cris Sciglitano, Gary Gligor, Jim Killerlane, Greg Stalb who also played emergency goalie, Adam Dublet, Curt Brickell, Eric Brown and Eric Weinberger back up goalie.

The Coaching staff is looking forward to a successful upcoming new season.

1978-1979 PASCACK VALLEY MITES TEAM

John Simon and Barry Robins coached over 20 boys, from 4 to 9 years of age, every Sunday morning at Fritz Dietl's. In addition, we will have played 19 games from Elizabeth, New Jersey to Garnersville, New York.

Our coaches have shown a true concern for our kids and given them their all. The boys gained confidence in themselves, a desire to win and a love for the game. Without Barry and John, we wouldn't have this great hockey team.

Our record to date is 4 wins, 2 ties and 5 losses, but have won six of our last eight games.

Brian Doyle, Anthony Vero and Stephen Crescentini are the most improved of the older boys, as they learned to skate, pass and shoot better in each game. Pete Luca and Carl Bond play wing and defense and pass to the team's 20 goal scorer, Emil Marone. Eric Weinberger is a brilliant goalie who has held us in and won many games. Emil, Peter and Eric lead the team in game pucks.

Next year's Mites are:

- Alan Charing - good understanding of the game and a fine skater
- Kenny Gehard - terrific goalie coming up for next year's Mites
- Daniel Javier - good, aggressive young Mite who really plays the game.
- David Luca - has a good future with the Mites, one of the Mite mascots.
- Tommy Marone - one of the excellent younger Mites with a great future.
- Joseph Sartori - very good first year player.
- Ari Supran - an up and coming Mite with lots of drive.
- Joshua Simon - an all around player with a terrific hockey future.
- Brittan Brown - a conscientious player with a good future.
- Brian Robins - an excellent all-around player who is a delight to have in our League.
- Michael Betsy - one of the top younger Mites for '79-'80 we're glad to have skate with us.
- Patrick Connelli - an up and coming Mite.
- Milton Smith - has improved immensely as a beginner Mite.
- Brian Weinberger - one of the mascots of the Mite team with a great future.
- Michael Boyle - a late addition to the team who learned to skate quickly.

Coach Bil Dimas drops the puck for Bantam Captain Ed Horne and two Assistant Captains, Kerry Sullivan and Billy Dimas.

BILL DIMAS -- Coach in Charge -- PASCACK VALLEY HOCKEY CLUB

This Journal would not be complete without some comments with respect to our Coach in Charge, Bill Dimas. It should be said that in three years with the Pascack Valley Hockey Club, Bill's teams -- PeeWee and Bantams -- have never lost a League game. We could further delineate the Tournaments they have won and the victories against teams, both within and outside their class.

However, the story of Bill Dimas is better told in terms of his boys.

In an age where we are bombarded with sociological concerns for youth and its development, and constantly hear

cliches such as "generation gap"; the demise of the work ethic; and the unwillingness to truly achieve, we find a situation where a man in his 70's has bridged all of these in his relations with 12, 13 and 14-year old boys. Instead of the aforementioned cliches, Bill has substituted "Desire", "Determination", "Dedication" and "Discipline". It suddenly occurred to the writer that the Dimas approach in preparing a group of boys to play hockey was, at the same time, preparing them for life. Surely, he has taught them to "set up", to "pass", to "check", and to do all the technical things a good hockey team must know. The real spirit of Bill Dimas, however, is that he has taught them to do these things in a very fundamental and disciplined manner which, at the same time, is preparing them to carry out the duties of a job or profession in the same way. They have learned to relate to each other in a manner which should help them to relate in life to people of all thoughts and persuasions. They have learned what it means to work -- and work hard to achieve a "goal". And, finally, they have absorbed these preparations for life in a spirit that says there should be some fun in it as well as competition.

In my opinion, Coach Dimas, through his own dedicated approach, has certainly inculcated the principles of good hockey, but at the same time has instilled some principles of life which these boys have welcomed -- maybe even unknowingly -- but, at the same time, have learned well.

If we think about it, I believe the hockey parents, who have been so closely related to this man in recent years, may have also learned a few things through their boys.

DEAR PARENT AND COACH, PLEASE LET ME BE MYSELF

Well, here it is another hockey season,
So I am writing you for just one reason,
Please don't scream or curse and yell,
Remember I'm not in the N. H. L.
I am only 11 years old
And can't be bought or traded or sold,
I just want to have fun and play the game
And am not looking for hockey fame
Please, don't make me feel I've committed a sin
Just because my team didn't win
I don't want to be that great, you see
I'd rather play and just be me
And so, in closing, I'd like to give you one tip
Remember, the name of the game is SPORTSMANSHIP.

Goalies are a unique breed. Theirs is a viewpoint unlike anyone else's. But you really have to admire a guy who can just stand there after everybody else on the ice suddenly and mysteriously disappears! One minute there's a furious attack going on in front of his net, sticks whacking and poking, bodies bouncing off bodies, and the next minute all that's left on the ice is a bunch of instantly-empty equipment!

And what's going on in his mind? He's the only person in the building wondering what the hell happened to the PUCK!
