Message from the President . . .

During the 1978-1979 hockey season the Foxboro Youth Hockey Association and the Mansfield Youth Hockey Association met to discuss the possibilities of a merger of the two associations. With the ever increasing costs of youth hockey combined with the decrease in enrollment both programs would have problems fielding full teams in the upcoming season.

After several meetings with each group it was the unanimous decision that the two association merge for the 1979-1980 season. The name of the new organization was to be the COLONIALS and the new colors of columbia blue and white were chosen to replace the old green and white of Mansfield and the red and white of Foxboro.

During the summer of 1979 teams were entered into the Crossroads ice arena's summer league and for the first time young skaters from both organizations played on the same teams wearing the new COLONIAL jerseys.

At the start of the 1979-1980 hockey season the COLONIALS had entered mite, squirt, pee wee and bantam teams in the Crossroads All Star League and another squirt, pee wee, and bantam teams in the West Bridgewater league. We also had entered a third bantam team in the Bristol County league in Taunton. Our Midget program blossomed into three separate teams. Two were entered in the Norfolk County 'B' Midget League which play all of their games on Sunday nite and the third team was placed in the very competitive High School Midget League at Crossroads. This enabled all boys still in high school the opportunity to continue playing organized hockey.

The COLONIALS had also initiated an inexpensive "learn to skate" hour every Sunday morning at eleven o'clock at the Taunton Memorial Rink. The ten o'clock hour was set up to teach young skaters the basics of hockey. These programs are open to everyone.

During the 1978-1979 season Mansfield Youth Hockey had initiated a cultural exchange of hockey teams with the Canadian towns of Chateaugay and Caughnawaga in the province of Quebec, Canada. To perpetuate this program this year the COLONIALS have invited teams from Ramapo, New York, Morris County, New Jersey, Caughnawaga, Quebec and Mercier, Quebec to participate in a series here during the March 8-9th weekend. During the March 22-23rd weekend COLONIAL teams will travel to Schenectady, New York and to Canada.

As you examine our ad book, we ask that you carefully review the advertisements of our area businesses. It takes three things to have a successful hockey program - players, parent involvement and MONEY. On behalf of the boys and girls, parents, coaches and administrators of the Colonial Youth Hockey Association, we extend our sincere gratitude to these businesses and individuals. We strongly suggest that all of the members, their friends and our supporters show their appreciation by directly supporting these businesses that have given their support to our association.

Thank you,

Nick DeMarco,
President

THE YOUTH HOCKEY PLAYER

He skates on the ice with his heart beating fast.
Sixty seconds of game left, this play is the last.
The score's tied at two, a goal now would win it.
His team wants to score in the final minute.

The puck flies to his stick — he shoots and he misses —
There's a groan from the crowd, some boos and some hisses.
A thoughtless voice yells, "Take out the bum!"
Tears fill his eyes; the game's no longer fun.

Remember, he's just a little boy who stands in that place.
That well-padded skater with mask-hidden face.
So open your heart and give him a break
For it's moments like this a man you can make.
Keep this in mind when you see someone forget.
He's just a little boy and not a man yet.
