PRIME MINISTER · PREMIER MINISTRE

I am delighted to send my warmest greetings and sincere best wishes to all those attending the Ottawa Capitals AAA Summer Hockey Tournament.

Hockey is a team sport of skill and strategy, and spectators can expect to witness some highly exciting and entertaining competition. The success of any tournament is, however, measured not only by the calibre of the play but also by the friendships and good spirits fostered. I am certain that this tournament will provide everyone with many special memories.

I convey my congratulations to the participants, and extend my warmest wishes for a most enjoyable and successful tournament.

C'est avec grand plaisir que je transmets mes salutations les plus cordiales et mes voeux les plus sincères à tous ceux et celles qui participeront au tournoi estival de hockey AAA des Capitals d'Ottawa.

Le hockey est un sport d'équipe qui exige beaucoup d'adresse et de stratégie. Votre public peut donc s'attendre à des matchs tout à fait passionnants. Toutefois, le succès d'un tel événement se mesure non seulement au calibre des joueurs, mais aussi à l'amitié et à la bonne humeur qu'il suscite. Permettez-moi de transmettre mes félicitations aux participants et de souhaiter à tous et à toutes des moments très agréables et un excellent tournoi.

Dear Mr. Bridgen:

On behalf of the United States Embassy and the community of U.S. citizens in Ottawa, I'm delighted to extend a warm welcome to everyone -- players, coaches and fans -- arriving for the Ottawa Capitals AAA Summer Tournament.

For those of you who are first-time visitors to Ottawa, particularly my fellow Americans, I hope you will take time during your stay to discover the many delights this city has to offer, not the least of which is Canadian hospitality.

I would also like to congratulate all those involved in organizing this first-class competition. The tournament offers an opportunity to compete, not only for the joy of the game, but for the benefit of a worthy charity, as well.

Thus, while only one team will be crowned tournament champion, I think everyone who participates in this event leaves here a winner.

# Message from the Chairman of the National Capital Commission

As NCC Chairman, it gives me great pleasure to welcome the Ottawa Capitals Summer Hockey Tournament to the Nation's Capital.

This year's "AAA" competition falls during one of the most exciting times of the year. Canada will celebrate its 123rd birthday on July 1st; I'm pleased that hockey clubs participating in this year's tournament will be on hand to take part in the festivities.

This year, a host of entertainers from across Canada will transform the Capital into a showcase -- a cultural stage for the talents we possess both as individuals and as a nation. And, of course, no celebration as significant as Canada Day would be complete without a tremendous fireworks display on Parliament Hill!

As Chairman of the Crown Agency responsible for the planning, development and conservation of your Capital, I invite you to take the time to explore the many dimensions of our national identity. Indeed, a single feature within the Capital has been uniquely successful at gathering the strands that draw Canadians together.

Confederation Boulevard -- the beautiful ceremonial route encircling the heart of the National Capital Region and spanning our two founding provinces -- is becoming an incomparable stage for the best of our political, cultural, social and physical achievements.

In a few short kilometres, world-class museums, national memorials, stunning architecture, respected political institutions and an outstanding physical setting create a deeply moving impression of our accomplished, forward-looking nation.

I needn't remind you that a nation's greatest resource is its people. For that reason, I would like to take this opportunity to congratulate both this tournament's organizers and competitors for the great effort they've made to make this competition a success. Dedication like yours continues to contribute to the Capital's image as a second home for all Canadians.

## **OTTAWA CAPITAL SPONSORS**

The 1990 **Ottawa Capitals AAA Summer Hockey Tournament Executive**, the **Ottawa Capitals** team officials and players would like to sincerely thank all of the corporations, businesses and individuals who sponsored our players this season.

You have provided us with the means to advance not only the hockey skills of the most talented of our local youth but also to promote the making of many new friends from all parts of Canada and the United States through our **Canada Day Tournament**.

Many thanks again.

Richard Brigden  
Tournament Chairperson

# This is about winning.

*"Winning isn't everything. It's the only thing."*

*"It isn't whether you win or lose, it's how you play the game"*

*"If you don't win, you lose"...and on and on and on.*

Ask a dozen people today what it means to win or what it takes to be a winner, and chances are you'll come up with a dozen or more answers.

At Xerox, we have our own ideas about winning and winners.

To begin with, we believe winning is a team effort. Maybe that's because we've never met a winner who in some way hasn't been trained, coached, encouraged or just plain influenced by another human being.

We also believe that winning is fundamentally a by-product of character.

To win at anything of value requires the overcoming of obstacles. Often, the greatest of these obstacles is a wavering faith in our own potential. To win, in our opinion, is to go the distance.

It is the ability to endure and persevere.

Winning, as far as we're concerned, is the ability to stretch oneself and be better for the effort.

In the final analysis, winning is anything but easy.

It is, however, the ultimate recognition of our struggle.

# TOURNAMENT RULES

The 1988 Ottawa Capitals Summer Hockey Tournament welcomes teams competing in 9 age categories. All teams will play at least 5 games.

## QUALIFICATION

All teams must provide a photocopy of a birth certificate or CAHA registration or other proof of age for each player. Failure to produce such proof of age at the tournament headquarters prior to his first game will result in the player being ineligible to play.

If a team has registered an ineligible player, that team will be automatically disqualified and the tournament Executive reserves the right to take whatever action as to the fate of a team defeated by a disqualified team, as well as the manner in which the tournament will continue. A player whose team has been so eliminated may not play for another team in the tournament.

An "underage" player may play for a team (e.g. a minor peewee may play for a major peewee team). A player may be registered to play for two teams in different age divisions if he fulfills age eligibility requirements.

## DIVISIONS AND GAME SCHEDULES

**Six Team Divisions:** Each team will play each of the other five teams once. Teams will then be ranked. In the semi-final round 1st place plays 4th place, 2nd place plays 3rd place. Winners advance to the championship game.

**Seven Team Divisions:** Each team will play each of the other six teams once. Teams will then be ranked. The 1st and 2nd place teams will advance to the championship game.

**Eight Team Divisions:** There will be two groups of 4 teams each (Group A and Group B). Each team in each group will play each of the other teams in its group once. Teams will then be ranked.

Each team will then play 2 more games against teams in the other group, as follows:

1st place plays 3rd & 4th place teams of the other group.  
2nd place plays 3rd & 4th place teams of the other group.  
3rd place plays 1st & 2nd place teams of the other group.  
4th place plays 1st & 2nd place teams of the other group.

After five games, 4 teams (regardless of group) advance to the semi-final round. 1st place plays 4th place and 2nd place plays 3rd place. Winners advance to the championship game.

**Ten Team Divisions:** There will be two groups of 5 teams each (Group A and Group B). Each group will play a round robin (4 games each). Based on the results of the round robin, the teams within each group will be ranked from 1st to 5th place. Each team will then play one more game against a team in the other group, as follows:

| Group A |     | Group B |
|---------|-----|---------|
| #1      | vs. | #4      |
| #2      | vs. | #3      |
| #3      | vs. | #2      |
| #4      | vs. | #1      |
| #5      | vs. | #5      |

After 5 games the top 2 teams in each group will advance to semi-final round. In the semi-final round: Group A 1st place plays Group B 2nd place and Group A 2nd place plays Group B 1st place. The winners advance to the championship game.

**Twelve Team Divisions:** There will be two groups: Group A with 6 teams and Group B with 6 teams. Each team will play every other team in their group (5 games each). The top two teams in each group will advance to the semi-final round. In the semi-final round:

Group A 1st place vs. Group B 2nd place;  
Group B 1st place vs. Group A 2nd place.

The winners of the semi-final games will advance to the championship game.

**Fourteen Team Divisions:** There will be a six team division (Group A) and a eight team division (Group B). In the six team division, each team will play each of the other five teams once. The top two teams will advance to the semi-finals. In the eight team division, there will be two groups of four teams each. Each team in each group will play each of the other teams in its group once. Teams will then be ranked. Each team will play two more games against teams in the other group as follows:

1st plays 3rd & 4th of the other group.  
2nd plays 3rd & 4th of the other group.  
3rd plays 1st & 2nd of the other group.  
4th plays 1st & 2nd of the other group.

Based on the standings after the five games, the top two teams will advance to the semi-final.

In the semi-final the top team in Group A will play the 2nd place team in Group B and the 2nd place team in Group A will play the top team in Group B.

The two winners will advance to the championship game.

**Sixteen Team Divisions:** There will be two groups of 5 teams each (Group A and Group B). Each group will play a round robin (4 games each). Based on the results of the round robin, the teams within each group will be ranked from 1st to 5th place. Each team will then play one more game against a team in the other group as follows:

| Group A |     | Group B |
|---------|-----|---------|
| #1      | vs. | #4      |
| #2      | vs. | #3      |
| #3      | vs. | #2      |
| #4      | vs. | #1      |
| #5      | vs. | #5      |

Based on the standings after 5 games, Group A & Group B semi-finalists will be declared.

There will be one group of 6 teams (Group C). Each team will play each of the other five teams once. Based on the standings after 5 games, the Group C semi-finalist will be declared. The fourth semi-finalist will be the team with the best record of non-division winners (wild card winner).

In the semi-final, Group A winner plays Group C winner and Group B winner plays the wild card winner. If the wild card team comes from Group B, then Group A will play Group B and Group C will play the wild card team.

The two semi-final winners will advance to the championship game.

## GAME TIMES

All games, both preliminary round and championship

games will be stop time. There will be no overtime in preliminary round, quarter-final or semi-final games. Games must start 5 minutes after the scheduled time (see "warm-up"). Teams must be ready to play 10 minutes before their scheduled game time.

All games will start on time. A maximum amount of time will be allowed to play a game (see table below). The game will end with completion of the allotted time at the arena managers discretion regardless of the score or remaining "stop" time.

The following table describes the total time (including ice floods) allotted to play a game:

| DIVISION   | FIRST PERIOD (min) | SECOND PERIOD (min) | THIRD PERIOD (min) | TOTAL TIME |
|------------|--------------------|---------------------|--------------------|------------|
| Minor Tyke | 12                 | 12                  | 15                 | 1:30       |
| Major Tyke | 12                 | 12                  | 15                 | 1:30       |
| Atom       | 12                 | 12                  | 15                 | 1:30       |
| Peewee     | 15                 | 15                  | 15                 | 1:45       |
| Bantam     | 15                 | 15                  | 20                 | 2:00       |
| Midget     | 15                 | 15                  | 20                 | 2:00       |

**Warm-ups:** The warm-up will be a maximum of 5 minutes and will be determined by the Referee.

**Ice Floods:** The ice will be flooded at the end of the 2nd period or after every two periods, at the discretion of the arena manager. When the teams return to the ice following an ice flood, the starting lines must immediately prepare for a face-off and the remaining players must go to the bench.

**Mercy Rule:** A "Mercy Rule" will be applied in all games (preliminary and finals) as follows:

1. If 6 or more goals separate the teams at the end of the second period, or at any time in the third period, running time will commence and will not revert back to stop time.
2. If 8 or more goals separate the teams at the end of the second period, or at any time in the third period, the game will end and will be awarded to the team with the 8 goal lead.
3. Note: If a game is running straight time for reasons other than the "Mercy Rule", the last two minutes of the game must be stop time.

## TEAM RANKING & TIE-BREAKER

### A. Preliminary round, quarter-final and semi-final games:

Teams will be awarded 2 points for a win, 1 point for a tie, and 0 points for a loss. There will be no overtime in preliminary round, quarter-final or semi-final games. In the event of a tie for a position at the end of the preliminary round, quarter-final or semi-final games the following rules shall apply:

1. The winner of the game between the two tied teams in the preliminary round will earn the higher position.
2. In the case of a three way tie, any team which has defeated the other two teams shall earn the higher position.
3. If the teams did not play each other in the preliminary round or are still tied after (1) & (2) then, the team with the

# TOURNAMENT RULES

most wins over an equal number of games earns the higher position.

4. If the teams are still tied after (1) and (2) & (3) have been applied, the team with the best goal average will earn the higher position. The goal average is to be determined by dividing the total number of "goals for" plus "goals against", into the "goals for", and team having the highest percentage (two decimal places) will earn the higher position.

Example: Goals for = 22; Goals against = 16

$$\text{Formula} = \frac{\text{Goals for}}{\text{Goals for} + \text{Goals against}} \times 100$$
$$= \frac{22}{22 + 16} \times 100 = 57.89\%$$

5. If the teams are still tied after (1), (2), (3), & (4) have been applied, the team which scored the first goal in the last game between the two teams will earn the higher position (if only two teams are tied).

6. If the teams are still tied after (1), (2), (3), (4), & (5) have been applied, then the team which received the lowest average penalty minutes per game in the preliminary round will earn the higher position.

7. If still tied, the winner of a single coin toss will earn the higher position.

**Note:** If at any step in breaking a three way tie, one team can be eliminated, it is eliminated and the remaining two way tie is broken in descending order beginning at step one.

## B. Championship Games:

In the event of a tie in a championship game at the end of regulation play, sudden death overtime will begin immediately after the third period. The teams will change ends and play 10 minute overtime periods, changing ends without a break after each overtime period, until a goal is scored.

Any player who is under suspension shall not be eligible to play in this tournament during his suspension.

## ALTERNATE GOALTENDER

Only 2 minutes will be allowed for the goaltender to recover from an injury. After 2 minutes he will be replaced immediately. If play is stopped for a player (except a goaltender) who is apparently or actually injured, he must leave the ice until after play is resumed.

## TEAM COLOURS

When team colours are similar, the tournament officials will decide which team will wear a sweater of contrasting colour. It is preferable that each team have two sets of sweaters.

## DRESSING ROOMS

Only registered players, team officials and tournament officials will be allowed in team dressing rooms. Dressing rooms must be vacated within 15 minutes after a game.

## MANDATORY EQUIPMENT

Helmets and full face masks are compulsory. For Canadian teams they must be CSA approved. American teams will come under their own code as far as face masks are concerned.

## GAME PROTESTS

Protests must be written on a form provided by the arena manager and submitted with a non-refundable deposit of \$25.00, by a team official at the arena tournament office within one hour after the end of the game. The decision of the Tournament Committee will be final. No protest will be entertained against referees' decisions or regarding a player whom the protesting team knew was ineligible prior to the game.

## HANDSHAKE

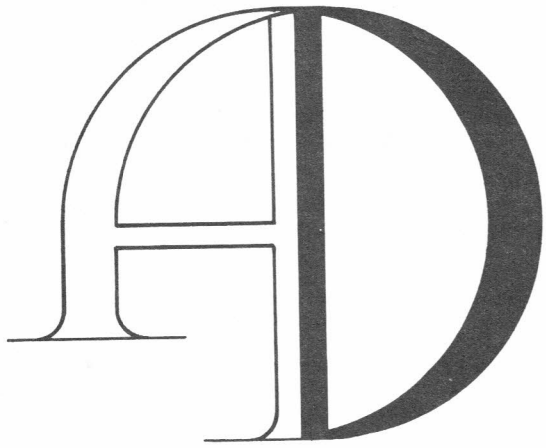

Immediately after the referee blows his whistle to summon the teams to center ice to start play, the teams will meet at center ice to shake hands.

**There will be no handshake after the game.**

## OFF-SIDE RULE

There will be a delayed off-side rule for Midget & Bantam.
