Dear Friends:

Welcome to our Third Annual Hockey Awards Dinner.

We have grown more in one year than any other club. We had 53 boys in our club last year. We have 147 boys this year.

We had our share of problems but we made it possible for many boys to skate that would not have skated without our efforts.

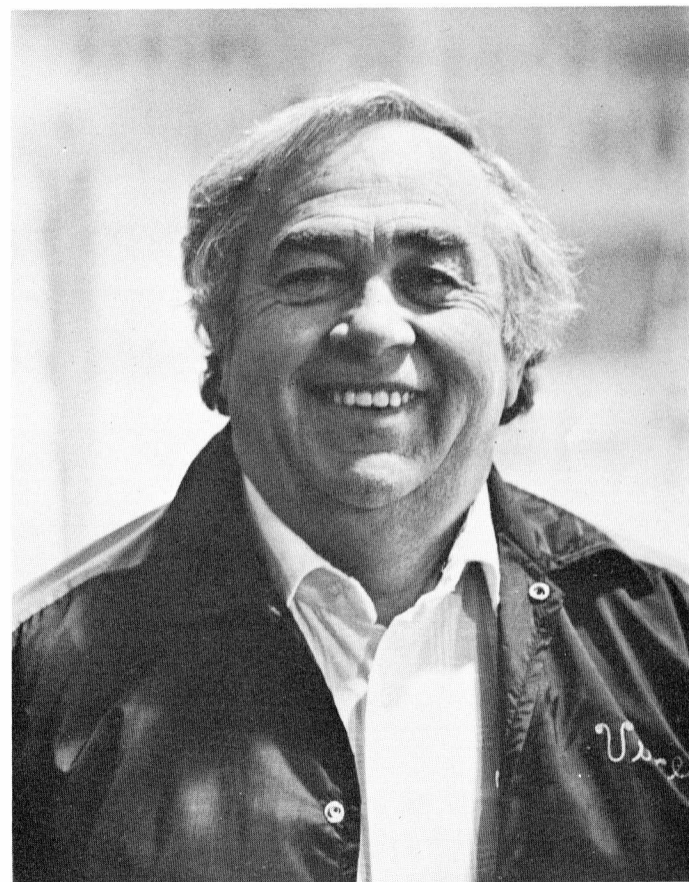

We wish to thank the many Parents and Friends who have helped throughout the year at great personal sacrifice.

Please remember the names of those in business whose ads appear in our awards booklet. They are truly our friends and deserve your patronage.
